## **GREAT EGG RACE**

*Now with two classes!*

This year's spectacular will be held at the Clubroom on  
**Thursday, 22nd April.**

There will be two classifications:

Class A will be for vehicles driven by a single axle, either front or rear drive.

Class B will be for vehicles powered through any number of axles.

In both classes only one rubber band may be used to provide the motive power.

The band may be used either as a loop or cut to one length.

Only rubber bands supplied by the organiser may be used. These will be available soon.

Whether you intend entering a machine or just coming along as a spectator, this event has great entertainment value and is not to be missed.

As usual, there will be eggcellent prizes both for speed and appearance.

***DON'T MISS IT!***
